The Office of the Attorney General of the Commonwealth of Massachusetts requires us to provide Massachusetts residents with information regarding the programs we offer in which Massachusetts residents were enrolled. The information provided below is based on information collected for calendar years 2014 and 2015, as required.

### **Criminal Justice (BS):**

- The total cost of the program is \$80,325.  
The total cost of on-campus room and board is: \$24,800
- % of students graduated from the program during 2014-2015.<sup>‡</sup>
- The average student graduates in (N/A) months.<sup>‡</sup>
- 12.4% of Lincoln students defaulted on, or failed to repay, their loans\* during the fiscal cohort year 2012.\*\*
- % of *graduates* during 2014-2015 obtained full-time, non-temporary employment jobs in their field of study. % of *students who enrolled* in the program during 2014-2015 obtained full-time, non-temporary employment jobs in their field of study.\*\*\*

\* Your Loan Debt: You must repay money that you borrow as student loans to pay for this program, including interest. You must repay any portion of the money you borrow to pay for this program, even if you fail to complete or drop out of the program. Failure to repay student loans is likely to have a serious negative effect on your credit, future earnings, and your ability to obtain future student loans.

\*\* The federal FY12 official cohort default rate is calculated by dividing the number of student borrowers who entered into repayment between October 1, 2011 and September 30, 2012, and defaulted by September 30, 2014, by the number of student borrowers who entered repayment during that same period.

\*\*\* Our institution provides this data as part of its requirements with 940 CMR 31.00 which became effective on June 20, 2014. Prior to that timeframe, our institution did not collect the data required in the graduate placement formula defined in 940 CMR 31.00. Therefore, the data published is inclusive of the time period that began on June 20, 2014, through December 31, 2014. The graduate placement formula published in 940 CMR 31.00 does not allow for our institution to remove graduates from the calculation including, but not limited to, those who continue their education at another institution of higher education or have health conditions that would preclude them from working.

Employment statistics substantiating these placement rates are available for inspection on request.

Our institution has no existing agreement with employers to provide jobs to students and does not guarantee employment.

<sup>‡</sup> There were no graduates from this program during the requisite time period.
